*The TFAA code should only be used if the course carries a unit value of 1 or less. To fulfill the Fine Arts Performance requirement, a student must complete two 1 unit courses, or one course that carries 2 or more units of value.

**These courses may also be used to meet the Science Laboratory Requirement.

***To fulfill the Values and Critical Thinking Component through transfer a student must complete BOTH (1) an Ethics or Values course, AND (2) a Critical Thinking or Logic course. In transfer two TC1 codes are required to fulfill this requirement.
