

**Rules Affecting  
Classified and Administrative/Professional Staff**

**Section 25**

**25.0 Animals on Campus**

It is a policy of the University of La Verne that the only animals that may be brought on University property and in offices, classrooms, or buildings owned or occupied by the University are those that are trained to assist individuals by performing specific tasks that cannot be performed alone, and animals under control of an academic department for academic purposes.

Approved by the Executive Vice President  
November 6, 2001
